MONDAY

Monday was the first day from the week with Edisons. At 8 am Dehva, Kristi, Gwen, Monica and Bayastan came to our school.

They met our teachers and guides for this week. The guides showed them our school. From 9.00 they watched the show performed by the pupils from primary school. At 10.00 they met Julia Hencel and some students from the 9.th class and walked through the Metal trail– to see interesting places in Mladá Boleslav.

TUESDAY

EDISONS taking part in lessons. They showed pupils presentations about their home countries and about themselves.

They spoke with pupils and played games. They taught children how to say hello in their language, how to count to ten, how to write their name in their language and other things.

Gwyneth visited our 1st and 2nd classes...

WEDNESDAY

EDISONS at our primary school. Pupils got ready many question and they were sorry the lessons passed so fast. Everyone wanted to take his selfie with Edisons.

Tasting typical Czech homemade cakes and typical Czech junkfood- chips and Kofola. The homemade cakes were made by families of children from the primary school.

Edisons were then interviewed for the school magazine called „Dvojka“. Editorial staff prepared question for them.

They took part in art lesson to create the globe with their countries.

THURSDAY

GLOBAL VILLAGE

EDISONS prepared stands in our sports hall with their national flags, traditional costumes, a possibility to taste food typical for their country and other interesting things. They showed everything to the pupils, took photos with them, and payed autograph. Children could see and touch everything.

FRIDAY

EDISONS taking part in lessons. The last lesson final goodbye in our sports hall. The headmaster of our school saying thank you and hanging over small presents to remember our school and the Czech Republic. All staff and pupils were happy to meet our Edisons and spend time with them.

Thank you- Edisons for coming. We hope to meet you again one day. Good luck and goodbye.
